

# MAN & WOMAN

**sporty, impulsive, dynamic:**

**The new fragrance from TOM TAILOR**

Sporty chic and casual comfort, two styles with one message – impulsive and dynamic, just "be ready to move". **TOM TAILOR** has dedicated its two new fragrances **MAN & WOMAN** to this mantra of fashion and lifestyle. Two lively and refreshing fragrances, sporty and energetic in orange and blue, in trendy stripe colors.

## **TOM TAILOR WOMAN – The fragrance for her**

A stylish combination of energy and a thirst for adventure. Fruity and fresh notes with watermelon, pear and white peach are the main top notes. In the middle notes, rose and peony merge into a captivating floral bouquet. The composition is completed in the base note with extracts from musk, cedar and sandalwood.

Top notes: watermelon, pear, white peach

Middle notes: rose, peony

Base notes: oakmoss, cedarwood, musk

## **TOM TAILOR MAN – The fragrance for him**

A zesty and fresh mix for the pioneers among men. In the top note, lemon, grapefruit and mint provide a fresh kick, while salt, sage and pine mingling in the top note give the fragrance an herbal scent. The spicy composition is rounded off with cedar, vetiver and musk in the base note.

Top notes: lemon, grapefruit, mint

Heart notes: salt, sage, pine

Base notes: cedar, vetiver, musk

## The bottles

The transparent and minimalistic appearance allows for the bottles to shine in a modern and sporty light. The rounded corners and the lifted bottom of the bottles reflect the sporty nonchalance and take up the individuality of the lifestyle movement that belongs to the global metropolises. The pop of color – orange and blue stripes on the side, gives the bottles a casual look, reminiscent of an urban street style.
