ESSENZA and **ESSENZA D'ORO** embody pure sophistication, lightness and emotional depth. The two compositions harmoniously complement each other: floral, radiant and sensual – yet each with its own unique charisma. They combine modern fragrance artistry with an iconic design that radiates clarity and strength.

ESSENZA is an invitation to consciously experience the moment. The top note opens with an invigorating combination of bergamot, crisp apple and a hint of violet. In the floral heart, ylang-ylang and jasmine blend with the sweet and gentle notes of tonka bean. The warm base of cedarwood, vanilla and amber adds depth to the fragrance and provides a modern, long-lasting signature.

Flacon design

The bottles of **ESSENZA** and **ESSENZA D'ORO** are characterized by a gently-rounded, flat silhouette and a mirror-smooth surface. With its precise edges, the strikingly-shaped cap makes a modern statement – a symbol of the balance between restraint and presence. The design is complemented by a shiny, gently-rounded shoulder that blends into the cap harmoniously and emphasizes the clear, flowing design language of the bottle.
