

bugatti

With **performance intense**, bugatti presents a new fragrance composition that unites modern elegance, powerful sensuality, and confident masculinity in a deep, ambery note. Inspired by the character of the performance series – timeless, urban, refined – this Eau de Parfum is made for the man who shows presence without raising his voice. A fragrance that opens with strength, develops multiple facets, and leaves an intense, unforgettable impression.

The top note begins with a spicy blend of clove and precious saffron – intense, warm, and instantly present. In the heart, a sensual accord of rose, creamy vanilla, and aromatic patchouli unfolds. The base note completes the Eau de Parfum with an intense interplay of amber, smoky cypriol, and fine sandalwood – warm, long-lasting, and distinctly masculine. The result is a fragrance that combines powerful intensity with modern elegance – a statement for everyday life and special occasions.

Top note: Clove, Saffron

Heart note: Rose, Vanilla, Patchouli

Base note: Amber, Cypriol, Sandalwood

Bottle Design

Deep black meets golden accents – a sophisticated, energetic design that reflects the intense character of the fragrance. The bottle of bugatti performance intense embodies perfection in form and appearance – inspired by the iconic lines of the performance series and reinterpreted with a luxurious marble effect. The combination of a deep black, glossy top and striking gold marbling gives the design a powerful visual tension. The black, glossy spray head with its textured feel underscores the technical sophistication of the performance line as well as its modern, masculine character.
