Whoever wears it is a real mover and shaker! He takes matters into his own hands and has his gaze directed to the future. Progress instead of stagnation. He strides through life dynamically and is sure of

himself. The bugatti dynamic move range epitomizes versatility and precision, for scents that always match the moment. **bugatti dynamic move INTENSE** elevates this dynamism to a new level – opulently powerful, yet with technical sophistication. With style, elegance and passion – and always with a clear focus on the goal.

The **bugatti dynamic move INTENSE** eau de parfum opens with a fresh and exotic top note that lends masculine sensuality to the scent. Tangy lemon adds invigorating lightness, and spicy cardamom provides a warm, slightly sharp nuance. Creamy coconut rounds off the top note. At its heart, a floral and earthy composition of accords unfolds. Violets add the green note, while the slightly smoky patchouli scent adds depth to the fragrance. Lavender presents an aromatic nuance that harmoniously balances the composition. The base note ensures a long-lasting finish. Warm vanilla exudes a gentle sweetness that is further intensified by woody ambergris. Creamy sandalwood adds luxurious depth to the fragrance and an elegant, masculine signature.

Top notes: lemon, cardamom, coconut

Heart notes: violet, patchouli, lavender

Base notes: vanilla, ambergris, sandalwood.

The bottle design

The design of the **bugatti dynamic move INTENSE** bottle combines powerful elegance and high-quality workmanship. The shiny black cylindrical glass bottle, with a solid glass base, feels pleasantly heavy in the hand and underlines its exceptional value. The opulent golden rotating cap is another technical design highlight. The cap has a honeycomb look. The bugatti wreath logo is another special detail, which has been artfully placed on the lower section of the bottle to emphasize its exclusivity.
