The **bugatti bella donna DOLCE AMORE** eau de parfum pays homage to sweet love and the Italian way of life. Inspired by the opulence and sensuality of Italy, this fragrance exudes an elegant and feminine aura. Here, art, culture and the passionate poetry of *dolce amore* merge in perfect harmony. Inspired by the grace of great women, it embodies the fascination of sensual Italian femininity. Just like an artistic painting from Florence or a soft melody from Venice, it combines style, passion and pure joie de vivre – a fragrant ode to sweet love in all of its facets.

## bugatti bella donna DOLCE AMORE

The fragrance composition begins with notes of ripe plum and zesty orange blossom. Fruity accents add a playful lightness to the top note before the heart unfolds in a floral bouquet. Delicate white flowers blend in with creamy sandalwood and the exotic warmth of ylang-ylang, creating an elegant, gently-enveloping harmony. The base combines beguiling, deep chords of soft musk and sweet vanilla that are rounded off by deliciously-warm, roasted aromas that give the fragrance an irresistible depth. A scent full of elegance, warmth and enticing sensuality.

*Top notes: plum, orange blossom, fruity*

*Heart notes: white flowers, sandalwood, ylang ylang*

*Base notes: musk, vanilla, roasted aromas*

## The bottle design

The bottle of bugatti bella donna eau de parfum is timelessly elegant. The glass bottle's interior has feminine features – curved shapes reminiscent of a waist, thus standing out from the classically angular outer shell in a special way.

The **bugatti bella donna DOLCE AMORE** fragrance appears opulent, like liquid gold, captured in a bottle with delicate decorations. Italian ornaments adorn the design and harmoniously blend in with the bugatti logo. The transition to

the spray head is adorned by a gold-colored shoulder on which the bugatti logo is embossed.
