**Sole d'Italia** epitomizes the essence of a radiant summer's day in Italy. The sun reflects off of the magically sparkling sea and the warm breeze refreshes the senses. This eau de parfum exudes the lightness and joie de vivre of the Italian coast – a breath of la dolce vita. **Sole d'Italia** combines fresh notes with an invigorating warmth, like a ray of sun.

The lively prelude unites citrus notes of tangy orange and tangerine, merging into an invigorating accord. The sensually soft notes of orange blossom add a delicate sweetness and elegant florality to the prelude, reminiscent of a balmy summer's day. A radiant bouquet unfolds in the heart note: solar notes create a warming and radiant aura, while the seductively creamy Tahitian gardenia adds an exotic touch. White blossom and sensual ylang-ylang envelop the senses in an unforgettable harmony and lead the heart to a floral climax. The grand finale of **Sole d'Italia** has a deep and lasting presence, thanks to white musk and oakmoss, which exude a light, maritime touch. Warm nuances of benzoin oil round off the base and reinforce the impression of a sun-drenched summer's day.
